

OUR GCS-25 PROGRAM

HOW IT WORKS

EVALUATION

In partnership with your team, American Torch Tip® will conduct introductory meetings to determine if your application(s) qualify for the GCS-25 Program.

DEMO

Try it for Free! Experience the power of CleanCut™ or Lightning® consumables at absolutely no cost!

Our expert plasma and welding technicians will be on site to support the testing and tracking procedures.

DOCUMENT

Effortless Tracking! Our team provides user-friendly tracking tools, simplifying the documentation and tracking of the products performance.

Your only obligation to secure your 25% savings is to share the results with American Torch Tip.

ROI PRESENTATION

In partnership with your team, ATTC will present an ROI presentation tailored specifically from your documented results.

ATTC's GCS-25 program will guarantee a minimum of 25% savings.
